

"D&A INVEST Worldwide Investment Services" was founded in 2010 and is a consulting & Real Estate firm based in Athens, Greece, providing services to foreign and local investors who are interested in making capital investments in a secure, stable economy, and future.

Responding to the contemporary needs, specificity and complexity and being driven by the aim to provide the best possible services to our clientele, our firm has adapted an "one-stop-shop" philosophy, providing our customers with the necessary know-how in the fields of property purchase and management, in order to relieve them from any possible obstructions and bureaucracy. We assist individuals willing to invest in understanding the Greek marketplace, by providing them with the optimal suitable options for their potential investments.

Our proficient team of leading lawyers, accountants, immigration consultants, along with our legal services in Real-Estate investment and our affiliation with leading local banks, enable us to facilitate foreign investments in Greece, as well as to ensure that our clients receive professional, accurate advice and proper guidance for the Greek Golden visa program.
