REAL ESTATE GROUP OF COMPANIES EST 1989

Established in 1989, Revithis & Partners Group of Companies has become a market leader in an ever more demanding Greek real estate market. Our agency consists of highly motivated and experienced agents who can take you through every step of purchasing, renting or selling a house, building or commercial property in Greece.

From our portfolio, we are able to offer you a wide selection of luxury villas, flats, plots of land, tenements and commercial real estate around Greece. Our agency can arrange all the necessary documentation needed, whether you choose to buy, sell, lease or rent by our agency.

Revithis & Partners Group of Companies clients are our friends. We work hard to see that they get their questions answered and full devoted attention for high quality services. We believe above all that honest service and a good client relationship has been vital to our success in the Real Estate business. We would like to mention our top of the line negotiation skills and that we are proud for our leader, founder and former President of the Greek Real Estate Federation Mr. Ioannis Revithis.

Revithis & Partners Group of Companies provides services with professionalism and excellence. Our objective is client satisfaction through the knowledge of our people and the necessary infrastructure.
